TOWN MEETING — MARCH 17, 1979

THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM TEN O'CLOCK AM UNTIL SIX O'CLOCK PM

To the Inhabitants of the Town of Raymond in the County of Rockingham in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Raymond High School Gymnasium in said Raymond on Saturday, the seventeenth day of March 1979, at ten o'clock in the forenoon, to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray town charges for the year ensuing and make appropriations of same.

2. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

3. To see if the town will vote to authorize the Selectmen to sell at public auction any property acquired by Tax Collector's deeds.

4. To see if the town will vote to require that the Selectmen, before disposing of real property the title to which has been acquired by Tax Collector's deed, first consult with the Conservation Commission, said Commission to recommend if the retention of such real property would be in the best interests of the town as provided in RSA 80:42A, subject to final ratification at the next annual or special town meeting.

5. To see if the town will vote to authorize the Treasurer to appoint, with the approval of the Selectmen, a Deputy Treasurer. Said Deputy shall be sworn, shall have the powers of the Treasurer, may be removed at the pleasure of the Treasurer, and shall provide, before entering upon the duties of the office, sufficient bond as required by law.

6. To see if the town will vote to institute a charge to out-of-town residents for use of town-financed facilities, or activities, and to direct that these monies be put into an account for the later award of grants by the Recreation Commission to people whose finances would otherwise not allow them to use said facilities or participate in said activities. By petition of 10 or more registered voters.

7. To see if the town will vote that any lands purchased by the town Forestry Committee be approved by a majority vote of the members of

the Planning Board, Board of Selectmen, and Forestry Committee, in order to allow a working knowledge and to assure that the best land is acquired for town possession. By petition of 10 or more registered voters.

8. To see if the town will authorize the Selectmen to apply for Federal Funds under the provisions of the Housing and Community Development Act of 1974.

Recommended by the Budget Committee

9. To see if the town will authorize the Selectmen to make application for and to receive and spend in the name of the town, such advances, grants-in-aid, or other funds for town purposes as may now, or hereafter be forthcoming from Federal, State, local, or private agencies that would be of benefit to the town.

Recommended by the Budget Committee

10. To see if the town will vote to increase the salary of the Treasurer from \$600.00 to \$1,000.00 per year, and to appropriate the sum of \$400.00 (Four hundred dollars) for the purpose. By petition of 10 or more registered voters.

Not Recommended by the Budget Committee

11. To see if the town will vote to appropriate the amount of \$400.00 (Four hundred dollars) for the financing of a Deputy Town Clerk during times of absense of the Town Clerk. By petition of 10 or more registered voters.

Not recommended by the Budget Committee

12. To see if the town will vote to increase the hourly wage of the dump superintendent and full-time highway crew members by 10%, and to appropriate the sum of \$3,100.00 (Three thousand, one hundred dollars) for the purpose. By petition of 10 of more registered voters.

Not Recommended by the Budget Committee

13. To see if the town will vote to appropriate the sum of \$79,000.00 (Seventy-nine thousand dollars) for the construction of an addition to the Town Office Building and to authorize the withdrawal of the amount required from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of October, 1972.

Recommended by the Budget Committee

14. To see if the town will vote to appropriate the sum of \$6,500.00 (Six thousand, five hundred dollars) for the purchase of a new Police Cruiser and to authorize the withdrawal of the amount required from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of October, 1972.

Recommended by the Budget Committee

15. To see if the town will vote to appropriate the sum of \$10,500.00 (Ten thousand, five hundred dollars) for the purchase of a new highway truck with dump body and heavy-duty snow plow attachment, and to authorize the withdrawal of the amount required from the Revenue Sharing fund established under the provision of the State and Local Assistance Act of October, 1972.

Recommended by the Budget Committee

16. To see if the town will vote to appropriate the sum of \$6,500.00 (Six thousand, five hundred dollars) for the purchase of fire equipment as follows, and to authorize the withdrawal of the amount required from the Revenue Sharing fund established under the provision of the State and Local Assistance Act of October, 1972: Cascade System to fill air bottles and air paks, and/or Monitors for firemen, and/or Coats, helmets and boots for firemen, and/or rebuilding of forestry truck.

Recommended by the Budget Committee

17. To see if the town will vote to appropriate the sum of \$1,600.00 (One thousand, six hundred dollars) for the purchase of a new copier for the Police and Fire Departments and to authorize the withdrawal of the amount required from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of October, 1972.

Recommended by the Budget Committee

18. To see if the town will vote to establish a new Conservation Commission, as provided in N.H.R.S.A. Chapter 36-A.

19. To see if the town will vote to designate as Town Forest Land those parcels of land in excess of 5 Acres that are currently listed as unknown and/or have been deeded to the town. Said Forest Land to be managed by the Conservation Commission.

20. To see if the town will vote to appropriate of \$10,000.00 (Ten thousand dollars) for the conservation Commission as

follows, and to authorize the withdrawal of the amount required for the purpose from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of October, 1972: \$5,000 - from unexpended 1978 appropriation; \$5,000 - from the 1979 Revenue Sharing Fund. To be used for the purchase, administration and/or management of Town Forest Land.

Recommended by the Budget Committee

21. To see if the town will authorize the Selectmen to make application for and to receive and spend up to \$50,000.00 (Fifty thousand dollars) of funds that may become available to the town under the Comprehensive Employment and Training Act of 1973 as amended for the purpose of providing federally subsidized training and employment opportunities to benefit both residents of the community and the community-at-large.

Recommended by the Budget Committee

22. To see if the town will empower the Selectmen to purchase Workman's Compensation Insurance from the N.H. Municipal Association rather than from a commercial insurance company if they feel that said purchase is in the best interest of the town.

23. To see if the town will vote to raise and appropriate the sum of \$700.00 (Seven hundred dollars) to assist the Raymond Children's Center, Inc. By petition of 10 or more registered voters.

Submitted without recommendation by the Budget Committee

24. To see if the town will vote to appropriate the sum of \$10,000.00 (Ten thousand dollars) for the Raymond Community Outdoor Recreation Fund Project, and to authorize the withdrawal of the amount required from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of October, 1972. Said funds will be used to provide eligibility for an equal match from Federal Heritage Conservation and Recreation Service (formerly B.O.R.) funds, and the resulting total of \$20,000.00 will be specifically designated, within the project, to provide completed community tennis courts. By petition of 10 or more registered voters.

Recommended by the Budget Committee

25. To see if the town will vote to appropriate the sum of \$7,500.00 (Seven

thousand, five hundred dollars) for the purchase of equipment and materials and labor to improve the acoustics of the Raymond Community Gymnasium/Auditorium and to authorize the withdrawal of the amount required from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of October, 1972. By petition of 10 or more registered voters.

Not Recommended by the Budget Committee

26. To see if, on petition of Edward M. Szczepanik and 34 other residents, the town will vote to tar and maintain the road known as Goat Farm road, including plowing and sanding.

Not Recommended by the Budget Committee

27. To see if the town will vote to raise and appropriate the sum of \$40,000 (Forty thousand dollars) to continue the employment of six full-time workers for the Recreation Department, employment originally financed by Federal CETA funds.

Not Recommended by the Budget Committee

28. To see if the town will vote to raise and appropriate the sum of \$2,000 (Two thousand dollars) for the support of the Ray-Fre Senior Citizens' Center. By petition of 10 or more registered voters.

Submitted without Recommendation by the
Budget Committee

29. To see if the town will vote to raise and appropriate the sum of \$750.00 (Seven hundred fifty dollars) for the installation of a Police Department alarm hook-up with the Raymond Historical Society, hence safeguarding the many valuable and irreplaceable items within the museum. By petition of 10 or more registered voters.

Submitted without Recommendation by the
Budget Committee

30. To see if the voters will instruct the Selectmen to set compensation as follows: To pay the Tax Collector fees also for the year 1978 and in the future. By petition of 10 or more registered voters.

Not Recommended by the Budget Committee

Given under our hands and seal, this twelfth day of February, in the year of our Lord nineteen hundred and seventy-nine.

A presentation of a desk set was made to James R. Turner for his very brief retirement.

Meeting was adjourned at 7:10 P.M. by the moderator.

A True Record Attest,

Anne H. MacLaren
Town Clerk, Raymond

THE STATE OF NEW HAMPSHIRE
THE POLLS WILL BE OPEN FROM TEN A.M.
TO SIX P.M.

To the Inhabitants of the Town of Raymond in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Raymond High School Gymnasium in said Raymond on Tuesday, the thirteenth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see what action the town will take relative to the playing of Beano in the town of Raymond.

3. To see if the town will vote to enact the amendments to the Zoning Ordinance as proposed by the Raymond Planning Board.

4. To see whether the voters, on petition of 10 or more registered voters of the town, will vote to adopt the Town Manager Plan as provided in Chapter 37 of the N.H. Revised Statutes Annotated.

5. To see if the town will vote to rescind its prior vote providing for the election of the Chief of Police at its annual Town Meeting and to provide that at the time of the 1980 Annual Town Meeting and thereafter, all full-time police officers in the town including the Chief of Police shall be appointed officials to be set at the time of the Annual Town Meeting of 1980 and thereafter.

6. To see if the town will vote that the election of the School District Officers shall, at the time of the Annual Town Meeting of 1980 and thereafter, be by secret ballot at the Annual Tuesday Town Meeting.

7. To see if the town will vote to increase the number of members-at-large from three members to six members on the Town Budget Committee, and further, that said members will be appointed by the Moderator until the time of the 1980 Town Meeting, at which time they will be elected to one, two, and three-year terms.

Given under our hands and seal, this twelfth day of February, in the year of our Lord nineteen hundred and seventy-nine.

James R. Turner
Robert C. Erler
Ivan C. Reed
Selectmen of Raymond

A true copy of Warrant—Attest:

James R. Turner
Robert G. Erler
Ivan C. Reed
Selectmen of Raymond

SPECIAL MEETING

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Raymond in the County of Rockingham in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at the Raymond High School Gymnasium in said Raymond on Saturday, the sixteenth day of June in 1979, at ten o'clock in the forenoon, to act upon the following subjects:

1. To see if the voters will authorize the Selectmen to enter into an agreement with the Raymond School Board in accordance with the provisions of N.H. Revised Statutes Annotated Chapter 53-a, whereby the town will have the power to raise and appropriate funds for the financing of capital improvements and for the maintenance thereof on Raymond School District property, with particular reference to the long-term availability of said facilities to the town.

Given under our hands and seal, this twenty-first day of May, in the year of our Lord nineteen hundred and seventy-nine.

Robert C. Erler
Ivan C. Reed
James R. Turner
Selectmen of Raymond

A true copy of Warrant—Attest:

Robert C. Erler
Ivan C. Reed
James R. Turner
Selectmen of Raymond

SPECIAL TOWN MEETING

June 16, 1979

The meeting was called to order by Moderator, Frank Case, at 10:06 AM. Reading of the warrant and rules of the meeting followed.

A motion was made by James Turner and duly seconded by James Snow to accept Article 1 as written.

Discussion followed.

Motion was made and seconded to move the question. The required number of voters requested a secret ballot. Vote in affirmative.

Motion then made by James Turner and duly seconded by T. Anne Marvel to adjourn. Vote in affirmative.

Moderator adjourned meeting at 11:10 AM.

Result of Vote: 82 Voters
 45 YES
 37 NO

A true copy of record—Attest:

Dorothy A. Prince
Town Clerk

NOTE: It was later decided that, because of improper procedure in warning the meeting, all action was illegal.

SPECIAL MEETING SEPTEMBER 8, 1979

Meeting was called to order by Moderator Frank Case at 10:10 AM. Moderator appointed Wilfred Greenwood and Carlyle Curtis temporary Supervisors of the Checklist. A prayer was offered by Chandler Newton and the Pledge to the Flag followed.

T. Anne Marvel asked whether Roberts Rules of Order or Masons Rules of Order would be used for the meeting.

The Moderator replied by saying that Bradleys Simplified Rules of Order would be used and then explained the rules of the meeting.

Voting card E was used and a majority vote would carry any motion. The required number of voters then requested a secret ballot.

Motion was made by T. Anne Marvel and seconded by Hughin Holt to put Article I before the floor.

Discussion followed.

Motion then was made to move the question with vote in affirmative. Moderator opened voting at 10:45 AM and ruled voting would close at 11:30 AM.

Results of vote:

229 ballots cast
98 YES
131 NO

Article was defeated.

Motion was made by T. Anne Marvel to adjourn and seconded by Gloria Grace.

Moderator adjourned the meeting at 11:43 AM.

A true record - attest:

Dorothy A. Prince
Town Clerk

SPECIAL MEETING THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Raymond in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Raymond High School Gymnasium in said Raymond on Saturday, the eighth day of September 1979, at ten o'clock in the forenoon, to act upon the following subjects:

1. On written petition of fifty or more registered voters of the town of Raymond, to see if the voters will authorize the Selectmen to enter into an agreement with the Raymond School Board in accordance with the provisions of N.H. Revised Statutes Annotated Chapter 53-a, whereby the town will have the power to raise and appropriate funds for the financing of capital improvements and for the maintenance thereof on Raymond School District property, with particular reference to the long-term availability of said facilities to the town.

Given under our hands and seal, this sixth day of August, in the year of our Lord nineteen hundred and seventy-nine.

Robert C. Erler

Ivan C. Reed

James R. Turner

Selectmen of Raymond

A true copy of Warrant—Attest:

Robert C. Erler

Ivan C. Reed

James R. Turner

Respectfully submitted,
Dorothy A. Prince
Town Clerk

RAYMOND POLICE DEPARTMENT

This is my first report to the residents of Raymond as duly elected Chief of Police since my temporary position as Acting Chief.

Once again I am pleased to report a surplus in the 1979 Police Department Budget. As noted last year, this surplus was achieved through careful spending of allocated funds and additional departmental income from outside sources which is returnable to the Town. The departmental budget for 1980 includes a salary increase of approximately 8% for full-time and special officers as well. An important item not immediately apparent in the present budget is the new personnel package recently proposed by the Board of Selectmen. Without going into detail, this "fringe benefits" package will help the department keep pace with inflation and boost our pay raises so that we can remain competitive to attract and keep experienced, professional officers. As in the past, we will make every effort to operate within the current proposed budget despite rising costs in many areas (such as gasoline and maintenance) which are beyond our control.

In 1979, we lost a full-time Patrolman through the resignation of Robert Allfrey. Although this left the Department short-handed for a brief period, both the remaining full-time officers and special officers performed extra duty shifts to give the citizens of Raymond full Police protection despite the manpower gap. Within a short time we were fortunate to fill the vacant post with a highly recommended, experienced officer, former Chief, Mark Long. Some of you may remember that Mark left Raymond for the Manchester Police Department which afforded him greater professional opportunities. Unfortunately, the Manchester Police Department required that its officers live within the city limits. The necessity of selling his home in Raymond and buying another within Manchester-Limits presented Mark with an unsurmountable financial hardship, and thus he resigned from the Manchester Police force. During his brief year with that department, Mark earned high praise for his professionalism and dedication to duty as attested by the letter of recommendation received by the Raymond Selectmen and this Department. This letter is on file for anyone to see. We welcome Mark back and note happily that Manchester's loss is Raymond's gain.

Early in 1980 another of Raymond's Police

officer's moved on to broader professional horizons. Recently, I regretfully accepted the resignation of Detective Sergeant James Nye who left us for a position as Deputy with the Rockingham County Sheriff's Department. In his five years with this Department, Sergeant Nye has been an exceptional investigative officer and a credit to his profession. We hated to lose him but the entire department joined me in heartfelt congratulations and best wishes for success in his new position.

On a positive note, we gained an Animal Control Officer (a long vacant post), Irwin Paris, who lives in Green Hills with his family. Calls for the Animal Control Officer's services should be made through the Dispatch Center at 895-4747 as with any other Police Department matter. We would like to take this time to commend Mr. Paris for an excellent job.

As always, it's been a busy year for the Department. We handled a total of 920 "reportable" incidents requiring investigation, written reports, or other follow-up. Naturally this total does not include a vast number of incidents that required a Police Officer's attention without the necessity for further follow-up. But with or without reports, this department could not have accomplished as much as it did without the unselfish dedication of the special Police Officers who worked well over 1,000 hours last year. They are a vital addition to a small department's work force and we owe our "specials" a special vote of thanks.

A closer look at the total number of incidents handled reveals that nearly 500 of these were "crimes against property." These involved burglaries of homes and businesses and various types of theft from shoplifting, to bicycle theft, auto theft, property stolen from autos as well as theft of gasoline and motor vehicle plates. Another large segment of "crimes against property" concerned more than 100 cases of malicious damage. Although these two categories represent this department's greatest concern and biggest investigative work load, they can be reduced considerably *without* the addition of a single full or part-time member to the force. All it takes is a strongly motivated "Neighborhood Watch Program." Everyone can help his neighbor by calling the police immediately whenever he observes *anything* of a suspicious nature. We'd rather check out a

hundred unfounded suspicions, than miss one that could have prevented a theft or property damage.

Remember, your Police Department can function best with your help!

Over and above our normal work load this past year, your Police Department was chosen for a Federally funded project with far-reaching, State-wide consequences. With the invaluable help of the entire department, we have completed an overall set of standards, policies, and procedures for police work. The resulting manual wherein these standards are set forth has just been approved at the Annual Meeting of the Municipal Police Institute and has been recommended for adoption by every Police Department in this state. Although this Police procedures manual is primarily devoted to the "mechanics" of police work, there is a strong emphasis throughout on the meticulous observation of the rights of all citizens by police officers. We hope the residents of Raymond share our pleasure and pride in this service to our profession and to the state-wide community. But if bouquets are passed around we'd have to add our own for the fine help we received from W. Joseph Shea, retired Chief of Natick, Mass and J. Merritt Wenzel, retired Chief of Wakefield, Mass. Both these men are representatives from the Municipal Police Institute of Hudson, Mass.

and gave unselfishly of their time and professional experience to this project. Copies of the manual will be distributed to all members of the Raymond Police Department, the Selectmen's Office and the Dudley-Tucker Library.

As we look to the coming year, we want to re-emphasize our concern for the youth of this community. Building a closer relationship with the students and schools has been an ongoing project of this department. Officer Richard Gendron is overseeing this task and largely responsible for the positive strides that have been made in this area. Although he is to be commended on his work, he also needs and wants your help in order to achieve the good relationship we seek with our youth.

Speaking of help, we simply couldn't get along without the fine cooperative spirit and wonderful working relationship we enjoy with all other departments in this community. Thank you one and all, from the bottom of our hearts.

On a personal level, I would like to thank the Regular Officers, the Special Officers and the Dispatchers. Through your dedication and professionalism, this department was able to function smoothly and effectively during this past year. In my opinion you can be proud of a job "well done".

Respectfully submitted,
Robert T. Elliott, Chief
Raymond Police Department

RAYMOND DISPATCH CENTER

Police Calls	15,332
Fire Calls	1,642
Ambulance Calls	1,289
In Station	6,952
TOTAL CALLS	
YEAR 1979	<u>25,215</u>

In April of 1980 the Dispatch Center begins its seventh year of service to the Town as the Central Communications Center, operating under the jurisdiction of the Police, Fire and Ambulance Departments. In the Dispatch area you will find the following equipment: Three Console Radios, nine telephone lines, four Fire Plectron systems, several burglar alarms, a Police Plectron system, a CB Radio, and a Micro Fiche car registration file.

We have radio communication capabilities with the Raymond Police, Fire, Ambulance and Highway Departments, as well as State Police in Concord, Troop A in Epping, Rockingham County Sheriff's Department in Exeter, and the Police and Fire Departments in the surrounding towns, also York, Maine Police Department. We are dispatching Fire calls for the towns of Fremont, Candia, and Deerfield. These communities are paying a yearly fee for this service.

Employed at the Center are dispatchers - Pauline Gordon, Marian Lovejoy, John Cronin, Richard Davis and Richard Johnson, who all have several years of experience in this field. Several Police officers are also trained to fill in on an emergency basis.

Basic training for this position includes expertise in radio and telephone

communications and the Code Systems. It is the dispatcher's responsibility to handle quickly and efficiently all radio and telephone calls and to relay the information to the proper Department personnel. The incident facts must then be recorded in the Daily Log. A communications operator must especially become familiar with the handling of emergency situations. He must also become knowledgeable with the general files, department forms and office reporting procedures. In addition to the above, other responsibilities include the typing of incident reports, correspondence, processing of motor vehicle and criminal court complaints, bookkeeping, payroll records, duty scheduling, and general maintenance of the Police-Dispatch complex.

We wish to thank all the Departments that we assist throughout the year. Their cooperation is necessary if we are to look forward to the continuation of the good working relationship we now enjoy. Thanks are also in order to the Town office personnell for their assistance, and to the public for their interest and support of our services.

Respectfully submitted,
Pauline Gordon,
Chief Dispatcher
Raymond Dispatch Center

1979 RAYMOND FIRE DEPARTMENT REPORT

I wish to submit my annual report of the activities of the Raymond Fire Department for the year 1979. We answered a total of 282 calls as follows:

Automatic Alarms	22
False Alarms	2
Building Fires	7
Mutual Aid	34
No School Signal	1
Jaws of Life	9
Check Smoke	24
Brush & Grass	23
Rescue Calls	1
Inspections	61
Car Fires	16
Electrical	8
Chimney Fires	19
Auto accidents	6
Trailer Fires	2
Assist Ambulance	2
Oil Burners	5
Miscellaneous	40

The estimated value of buildings involved in fire was \$1,583,500.00; the estimated loss was \$19,300.00.

This past summer, we installed a dry-hydrant in Onway Lake. The firemen used town equipment to haul gravel to the parking area and Buxton Brothers, Inc. was hired to do the digging. This will be of great value to us in the event of a fire in the Onway Lake area. During 1980, we hope to install two more dry-hydrants - one on Long Hill Road and one in the Old Bye Road housing development.

Once again, this past summer, we had a bad brush fire on Dumplington Hill, burning approximately fifteen acres. We had the assistance, through Mutual Aid, of Candia, Epping, Deerfield, and Fremont, as well as the individual assistance of many other citizens, without which the fire would have been much worse. The total cost for fighting this fire reached \$4,000.00, approximately one-half of which was reimbursed by the State. It is for this reason that the Fire Department Budget was over-expended.

Also during 1979 were problems with the illegal chemical waste dump on Blueberry Hill. The Fire Department will face major responsibility and peril in the event of a fire in the

area. We have contacted many State agencies and urged for the start of clean-up in the area. Although some monies have been appropriated for the purpose, to date, no positive action has been taken in the direction of clearing of the area.

The new air cascade system was installed this year and is one of the best in the area. The towns of Fremont, Candia, Nottingham, Epping, and Deerfield contributed to the installation, and we can now fill our air cylinders nearly as fast as we deplete them. We welcome anyone to come and see this unit, as well as all of the other equipment.

It will be noted that we are asking in 1980 for a new Base Station radio to be paid for with Revenue Sharing Funds. The existing radio is ten-years-old, and getting to be somewhat unreliable. The new radio will be multi-channel so that, in the event of a fire, we can change channels, eliminating interference from other towns. Such interference presented a problem at the previously mentioned brush fire. We also hope to update all truck and portable radios to two-channel capacity. The new base station will have a considerably larger amount of power, thereby relieving the problems of weak communication in some areas of town.

Again in 1979 we ran the Junior Firefighters Program, and again it was highly successful. We'd like to thank the six boys who passed the eight-hour State Forestry Class for their very fine hard work. The program could not be a success without the cooperation of Principal John Callaghan of the Raymond High School, and we offer him our thanks. It is hoped that the program will run again in 1980.

You will note that, at the 1980 Town Meeting, there will be a proposal for a house-numbering system, to be applied to all homes in Raymond. We hope that the proposal will receive a favorable vote, as the system is designed to assist all emergency services. A committee of firemen will undertake the task of administering the system, which, it is expected, will take some time.

During 1980 we plan to do some major repairs on two of the trucks. Engine 2 needs a new radiator and some rust work - the truck is a 1957 International. Tanker 3 is a 1965 Chevrolet and also needs rust work, as well as new springs in the rear. With these exceptions, which we plan on eliminating, all of the equipment is in fine condition and constitutes some of the best in the

area. Again, everyone is welcome to come and view the equipment.

During 1979, we formed our own fire-investigation team. Its job is to determine the cause of structural fires. Lt. Wayne Welch and Firefighter Kevin Pratt are in charge of the team. They have been sent to several Arson schools and have been doing a fine job. They work very closely with the Police Department and the State Fire Marshall's office.

The Fire Department was also very aptly represented in the states of Montana and Washington during 1979; a fact which brings us all great pride. Kevin and Kerry Pratt were chosen by the New Hampshire State Forest Fire service to help battle brush fires in those states. This shows how truly excellent has been the training received by our firemen.

I would like to thank the Dispatchers, the Police Department, the Ambulance Association, and all of the other town departments for all of their help this year. Also, thanks to the firemen who continued to do an outstanding job. It is commonly known that Raymond has the greatest fire department anywhere. And finally, great thanks to the wives and families of our firemen. Many special occasions are interrupted because of their loved ones' dedication.

REPORT TO TOWNS REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to

appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municle forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

**ANNUAL REPORT
RAYMOND AMBULANCE FUND
ASSOCIATION
JANUARY TO DECEMBER
1979**

Records of the Raymond Ambulance Association show that 576 trips were made this year, involving 464 emergencies, 106 accidents and 6 miscellaneous. Since the association was formed in March of 1959 to December of 1979, the ambulance has made a total of 8080 trips. The total miles covered for the year was 19,696 miles, with manhours donated by the members totalling 2254 hours.

The Raymond Ambulance responded to calls in the following towns: Raymond 285, Epping 98, Candia 76, Deerfield 49, Nottingham 16, Fremont 27, Auburn 5, Brentwood 1, Lee 1, and the State Park 2. Trips were made to the following hospitals: Exeter Hospital in Exeter, N.H.; Elliott Hospital, CMC West, and Veterans Hospital in Manchester, N.H.; Hale Hospital in Haverhill, Mass.; Concord Hospital in Concord, N.H.; Alexander-Eastman Hospital in Derry, N.H.; Nashua Memorial Hospital in Nashua, N.H.; Portsmouth Hospital, Pease Air Force Base Hospital in Portsmouth, N.H.; and the Massachusetts General Hospital in Boston, Mass.

Expenses for the year 1979 were as follows: cost of gas and oil \$2,340.78, repairs and maintenance \$492.54, tires \$451.83, new equipment \$724.18, training \$545.00 and miscellaneous supplies \$524.84.

Our new 1979 Modulance has proven to be very satisfactory with the spacious interior and the convenience of built in compartments for supplies as well as improved vehicle operation. The Ambulance and all members of the Association are licensed by the State of New Hampshire. Regular monthly training meetings are held by the Association as well as specialized classes in Standard and Advanced First Aid, Emergency Medical Technician-Ambulance (EMT-A), Auto-extrication, Cardiopulmonary Resuscitation, Hypo-thermia, and Sudden

Infant Death Syndrome. Several members are in the process of completing a course in EMT-A, and others attending refresher courses and updating their certifications. The Association's present roster lists twenty-four very dedicated and conscientious members ready to serve.

The Association would like to express thanks to the following for their continued cooperation over the years: Rockingham County Sheriff's Department for radio service and assistance, New Hampshire State Police and surrounding Town Police for their assistance, surrounding town's Fire Departments, the Epping Rescue Squad for their fine cooperation, Town Officials from our Town and surrounding Towns for their support, local newspapers for their coverage of our activities, service stations for their consideration on gas and maintenance of vehicle, Shamrock Cleaners, Derry for free linen service, doctors from the entire area, Dispatchers for their communication services, Police Chief Robert Elliott and all the policemen for their assistance, Fire Chief Leslie Gatcomb and all the firemen for their help.

A Special Thank You to the many businesses, groups and organizations of our Town and the surrounding Town for their generous donations during the past year; and to all those who support the Raymond Ambulance Association through their continued support of our raffle tickets, our annual Ham and Bean Supper and other special activities.

Respectfully submitted,
David Gordon, President
Raymond Ambulance Association

RAYMOND PLANNING BOARD

Report For 1979

During the year 1979, the Raymond Planning Board received 22 applications for sub-division of land. Twenty-one of these applications were acted upon and a total of 73 new building lots were created. One application is awaiting completion of approval procedures. Twelve plans "for recording purposes only" were also approved. These plans are signed by the Planning Board and are submitted to the Registry of Deeds. They do not create any new building lots, but rather describe that which is existing.

The temporary residential building moratorium remains in effect pending the adoption of a town Master Plan. The Southern New Hampshire Planning Commission is assisting the town in developing this plan at a contract cost of \$20,000.00. One-half of the amount - \$10,000.00 - was appropriated at the March, 1979 Town Meeting. The town will be

asked to approve the remaining balance of \$10,000.00 at the Annual Town Meeting of March, 1980. In view of the Master Plan Development, the Board did not feel it appropriate to propose any amendments to our Zoning Ordinance.

The Board has worked with the Selectmen and Town Council in an effort to protect the town from the adverse financial impact of premature sub-divisions.

The regular meetings of the Planning Board are held on the first Thursday of each month at 7:30 PM, at the Town Office Building. Hearings on proposed sub-divisions are scheduled by appointment. All meetings are public and residents are welcome to attend.

Respectfully submitted,
Dennis Cronin, Jr. - Chairman
Joseph W. Harpham, Secretary

ANNUAL REPORT OF THE CONSERVATION COMMISSION

This was the first year for the newly-formed Raymond Conservation Commission with full membership achieved by late October.

In November, four members attended a workshop sponsored by the New Hampshire Association of Conservation Commissions held at Plymouth State College. Members attended seminars and workshops and brought back information on laws governing commissions and the new wetlands legislation.

During the past few months, time and energy of members were spent in identifying the purpose and responsibility of the commission. Under the new wetlands law, which gave supervisory and regulatory responsibility to the commission, members now review all dredge and fill permits for the town which are issued by the state.

Subcommittees were formed which will deal with specific topics such as use and management of forest land, protection of wetlands, acquiring open space and reviewing new laws governing commissions and open space.

As long-range goals are more clearly defined, the commission will become an active group with specific tasks involving conservation and preservation. Whatever activities we undertake, it is our duty and responsibility as a conservation commission to preserve and protect the town's natural environment.

Respectfully submitted,
Willis Audette, Chairman
Diana D. Barr,
Secretary/Treasurer

DUDLEY-TUCKER LIBRARY

Librarian's Report

The Dudley-Tucker Library has again met the New Hampshire Statewide Library Development Program requirements for library service to the community. One of the benefits of this program is the use of the Statewide Library Card which allows our patrons to borrow from other member libraries without fees.

The Summer Reading Program, "Follow the Reader," had 59 registered participants, 27 of which, attended the Wrap-Up Party on August 27, 1979. On Friday mornings in August we also held Story Time for 3 to 8 year olds. This had an average attendance of 11 children.

Small-Fry Hours for preschool children are held on the second Tuesday of each month during the school year. The first Saturday morning each month, we show movies for all ages. Both are from 10-11 a.m.

Groups of children also come to the library for a tour, help with studies, or a story. These children come from the Cub Scouts, Girl Scouts, both of Raymond's public schools, and the local kindergartens.

CIRCULATION STATISTICS

Juvenile	5,533
Adult	9,205
TOTAL	14,738

Number of books and other materials added during the year	819

RECREATION COMMISSION ANNUAL REPORT

The Recreation Department had another successful year sponsoring many new programs and continuing with several of the popular standard programs.

The summer Playground Program met with overwhelming success with 15 field trips for Raymond children. Part of the cost for two of the more expensive field trips was absorbed by The Rockingham County Community Action Program as a grant was obtained from them to provide transportation. Approximately 160 children participated in the 7 weeks of summer fun which included many special events days. Which day's were centered around a theme: Star Wars Day, Cowboy Day, Backwards Day, Gold Rush Day and Red, White and Blue Day for the Fourth of July.

Every day was filled with arts and crafts and games. There were cookouts every Friday that were almost as popular with the staff as the children. Groups of Raymond children traveled to other playgrounds to participate in softball games and other events. Hopefully this summer we will have facilities to invite children from other towns to Raymond.

The summer swimming program was again very popular especially with the addition of a Mother's Swimming Program. Many additions and changes are planned for the coming year including providing lifeguard coverage till 8 p.m. nightly.

Many improvements were made in the past summer in the area of maintenance. Most of the maintenance work done during the summer was accomplished with the help of CETA workers. Three Youth Employment Programs were utilized, SPEDY, YCCIP, and YACC. It is important to remember that not only do these programs provide labor to the Recreation Department but they keep many of Raymond's youth in work and out of trouble, and gives them a feeling of accomplishment.

12 new picnic tables were built this summer. 6 to be used at the new Community Outdoor Recreation Facility, two at Onway Beach, 3 at the playground and one at the new picnic area at the intersection of Langford Road and 101.

Recreation workers established this picnic area on Langford Road which overlooks the Lamprey River in the early summer and it has been used extensively ever since. They also

helped on much of the hand work to be done on the Community Outdoor Recreation Project. They planted flowers and provided daily maintenance of Lyman Park.

The town beach on Onway Lake was cleaned daily by these workers. As long as they were available, top priority was given to the maintenance and care (lining, mowing and raking) of the little league fields.

During the past year the Recreation Department has offered many programs, some with a great deal of success.

The height of the dance season came in the winter and spring of 1979 with over 80 people participating in various Disco classes and twenty children in Ballet classes. Gymnastics was also very popular as it is now with over 40 children participating weekly. At least 10 couples play tennis in the monthly Tennis Socials. Between 20 and 50 women take part in Women's Fitness weekly at the high school. Young Adult's Basketball has grown at the elementary school to 8 men. The Men's Open Hoopshoot on Wednesday and Sundays has 15 to 20 men participating weekly. Co-ed Volleyball has had up to 24 people playing weekly. Women's Volleyball has 12-14 weekly participants. Indoor Soccer played on Saturday afternoons has 15-20 people playing weekly. Children's Basketball on Saturday Mornings has 60 children enrolled in the program. 300 Senior citizens are served monthly by the Newsletter printed and assembled by the Recreation Department.

The Recreation Commission realizes the need for additional Recreational Facilities in town and has placed top priority on working on the development of the Community Outdoor Recreation Facility. A great deal of time and effort has gone into the work done thus far. The Commission feels that the net result, additional outdoor recreational facilities, will make all the work and time put into the project thus far worthwhile. When completed, the facility will have the capability to handle many activities at the same time instead of one or two.

Work on the project continues throughout the winter planning and arranging schedules. As soon as the weather makes it possible work will begin again outside.

It is the purpose of the Raymond Recreation Department to facilitate leisure time

and recreational activities for all persons by encouraging and helping community groups to provide program and by directly sponsoring basic program itself. The Commission wishes to thank all the volunteers that have helped out during the past year and encourages further citizen support and suggestions.

The Commission commends Director Rick Bates for the conscientious and enthusiastic way in which he performs his job. He is an exemplary public employee giving much more

than he is paid for and gaining great personal satisfaction from the contribution of his department to his community.

1979 REPORT OF HIGHWAY AGENT

With State Aid funds available this year, we installed a much-needed large culvert on Fordway Road. The road was widened and a drainage and ice-condition problem was eliminated. The department has been cutting and trimming trees in the area of Lane Road in anticipation of a road-widening, ledge-removing project. The part of the road to be effected was built in the mid-1940's and, until recent years, has served its purpose well. I would like to see a continuing project, financed by Town Road Aid funds, steadily improve the road to make it able to meet increased traffic demands.

Several areas were shimmed during the year to smooth out surfaces or to strengthen deteriorating surfaces. There were sections of Harriman Rd., Epping Rd., Governor's Lake Rd., Onway Lake Rd., Sesame St. and Old Manchester Rd. Seal coating on sections of Old Manchester Rd., Old Bye Rd. Nancy Lane, Long Hill Rd., Lane Rd., and Batchelder Rd. Parts of Harriman Rd to Mountain and Lane Rd., Hunter Dr. were done with mix and rolling surface.

This coming year we plan work on the following: Ham Rd. (one Mile) Brown Rd., Governor's Lake, Main St. -1600', (Shim and Seal) Morrison Rd. (seal), Sun Hill (400'), Harriman Rd. (seal-one mile) and Green Hills (sealcoat).

The old Town roads have been deteriorating more rapidly because of weight overload of large size trucks exceeding their own weight limits. This means constant hauling, passing, turning on roads not built to withstand this kind of punishment. In order to survive

subdivision and road construction the Town will on occasion repair road damage which will be expensive to repair.

A number of building permits have been issued in the past with no mention of driveway culverts being installed. This drainage is necessary to prevent water and ice buildup on the road surface. State maintained roads have not been getting driveway permits which adds expense to Town & State repairs.

Subdivision roads and Town roads have a specific amount of right-of-way for its intended use. We are hampered some times with stone walls and fences within the town road limits when it comes time to re-construct roads, excavate ditchlines, even plowing snow.

Two roads we should be concerned with is Blueberry Hill Rd. and Shattugee Rd. off Lane Rd. Both are Town roads which we should establish and preserve a right-of-way before any building permits and subdivision plans are accepted. Minimal amount of construction of these roads each year would be a step ahead of inflation.

I would like to take this opportunity to thank all the Town officers and the Board of Selectmen for co-operation and to the Police and Fire Departments for their assistance and the men on the department. Also thanking the co-operation and support to the citizens of Raymond.

Respectfully submitted,
Lyman R. Hammond, Jr.
Highway Agent

REPORT OF RAYMOND COMMUNITY OUTDOOR RECREATION PROJECT

Citizens of Raymond:

The Outdoor Recreation Project development is on schedule.

We had hoped to be able to get 6 to 8 weeks of growth on our "grassy" areas underway before hard frost but it took us longer than we'd anticipated to get the irrigation system assembled and in the ground with a very wet Fall impeding us. The first activity in the Spring will be to get the areas seeded so the lower play field and adult softball area can be useable in Fall 1980 and the balance in Spring 1981.

Payments on the development so far of \$29,181.90 plus \$32,500. from the acquisition of land adjacent to the elementary school on Lake Carol for a total of \$61,681.90 have been submitted to the State Recreation Services office in Concord from which we anticiapte a 50% reimbursement from the Federal Heritage, Conservation and Recreation Fund. Subsequent to the submission we've paid an additional \$2,150.47 in bills and are obligated to pay for the irrigation system, some engineering services and loam grading work when we receive our reimbursement. We thank these companies for advancing us the credit which permitted us to keep on schedule.

Most of our money goes to the purchase of materials and we count heavily on citizens - young and old - to volunteer services. By that means, the full project, which has been estimated as having a completed value of well over \$200,000 had we had that kind of money and had it been contracted in total, will be accomplished with federal share of about \$60,000 and local cash donations of about \$3,000, of timber sales of about \$5,000 and local tax money of about \$53,000.

I'd like to thank those persons who have helped us by contributed labor, equipment or expertese. I apologize if I've overlooked anyone:

Ed Daniel and two trackmen - labor
Several soccer players - labor
King family - pick-up truck
Scott Ross - labor

Town grader

Rick Smith - operator

I.C. Reed Co. - bulldozer, trucks, tools

Ivan Reed - labor

Chan Newton - tractor

Charmingfare Country Club - york rake

Raymond High School students - labor

Dave Hoelzel and Boy Scouts - trucks, tools, labor

Rick Bates - vehicle, tools, labor

Richard Holt - labor

Hugh Holt - truck, car, tools, labor

Town payloador

Alan Rislove - equipment, tools, consultation, time (beyond that compensated for)

Mike Rislove - labor

Raymond Water Department - sand

University of New Hampshire (county extension service - Consultants)

New Hampshire Fence Co. - tools

School truck and tools

In order to be able to guarantee the completion of the tennis courts and all other planned components of the project it will be important to have the additional \$10,000 appropriation which will be matched by \$10,000 of NCR funds.

In these times of inflation and rising gas prices it becomes increasingly important for us to look to developing our community resources by our own efforts to improve the quality of living through more extensive leisure time activities for citizens of all ages. We solicit contributions of money, equipment and labor and welcome constructive inquiry regarding project progress.

Sincerely,

Hugh Holt, Project Coordinator
Raymond Community Outdoor Recreation
Project
Raymond School Board Member
Raymond Parks and Recreation Commission

DENNIS R. STONE
CERTIFIED PUBLIC ACCOUNTANT
120 EPPING ROAD, P.O. BOX 640
EXETER, NEW HAMPSHIRE 03833
—
(603) 778-7323

February 15, 1980

Board of Selectmen
Town of Raymond
Raymond, New Hampshire 03077

Gentlemen:

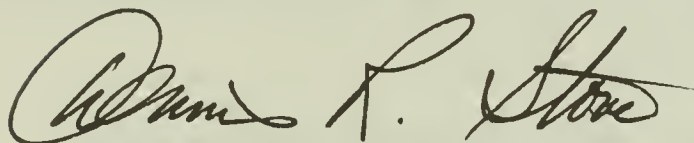

My report on the audit of the Town of Raymond financial statements for the year ending December 31, 1979 will not be issued in time for publication in the Town Report.

This circumstance is due, in great part, to the numerous delays experienced in receiving the report and records of the Tax Collector.

We now have all the records we requested and shall complete the audit as promptly as possible. The report will be issued immediately after completion of the audit.

I am enclosing the audit report of the Raymond Water Department for the year ending December 31, 1979 and the audit report of the Trustees of the Trust Funds for the year ending December 31, 1978, which was omitted from last year's Town Report.

Sincerely,

A handwritten signature in dark ink, appearing to read "Dennis R. Stone", with a stylized, cursive script.

Dennis R. Stone, CPA

DRS/js

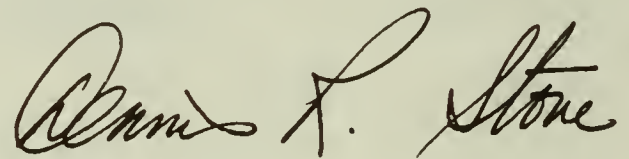

DENNIS R. STONE
CERTIFIED PUBLIC ACCOUNTANT
EXETER, NEW HAMPSHIRE

To the Board of Commissioners
Raymond Water Department
Raymond, New Hampshire

I have examined the statement of fund balance arising from cash transactions of the Raymond Water Department as of December 31, 1979 and 1978, and the related statements of revenues and expenditures arising from cash transactions and of long-term indebtedness for the year ended December 31, 1979. My examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

As described in Note 1, the Department's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenues are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. In addition, the accompanying statements have made no provision for the capitalization and depreciation or depletion of utility plant in service. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in conformity with generally accepted accounting principles.

In my opinion, the aforementioned financial statements present fairly the fund balance arising from cash transactions of the Raymond Water Department as of December 31, 1979 and 1978, and the revenues and expenditures arising from cash transactions and the long-term indebtedness for the year ended December 31, 1979, on the basis of accounting described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.

A handwritten signature in cursive script, reading "Dennis R. Stone".

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Raymond Water Department prepares its financial statements on the basis of cash receipts and disbursements. Accordingly, these statements do not give effect to accounts receivable, accounts payable, or other accrued items.

Fixed asset purchases are recorded as expenditures at the time payment is made. Such additions to utility plant in service, whether acquired through purchase or contributions in aid to construction, have not been capitalized in the current or prior years. Therefore, no provision is made for the depreciation or depletion of capital assets.

NOTE 2 - HYDRANT RENTAL

The Department receives an annual appropriation from the Town of Raymond General Fund for the rental, by the Town, of the water hydrants.

NOTE 3 - LONG-TERM INDEBTEDNESS

Details of the Department's debt issuances are as follows:

	<u>4.2% NOTES</u>
Date of Issue	November 27, 1972
Original Amount of Issue	\$ 52,000
Principal Payment Date	November 27
Interest Payment Dates	November 27
Final Payment Date	November 27, 1982

DENNIS R. STONE
CERTIFIED PUBLIC ACCOUNTANT
EXETER, NEW HAMPSHIRE

To the Board of Selectmen
Town of Raymond
Raymond, New Hampshire

I have examined the statement of changes in principal, income, and investments of the Town of Raymond Trust Funds for the year ended December 31, 1978. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion, the accompanying financial statement presents fairly the financial position of the Town of Raymond Trust Funds at December 31, 1978, and its changes for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

A handwritten signature in black ink, reading "Dennis R. Stone". The signature is written in a cursive style with a large, stylized "D" and "S".

TOWN OF RAYMOND
TRUST FUNDS
NOTE TO FINANCIAL STATEMENT

Summary of Significant Accounting Policies:

The Trust Funds were established to account for assets held by the Town in a trustee capacity or as agent for individuals, private organizations, other governmental units, and/or other funds. The Trustees of the Trust Funds are elected to that position.

Revenues and expenditures are recognized on the modified accrual basis. Revenues and other governmental fund financial resource increments are recognized when they become both measurable and available to finance expenditures of the fiscal period. Expenditures are recorded when the related liability is incurred.

Additions to principal of the Trust Funds are accounted for as they are received by the Trustees for investment.

Dorothy A. Prince, Town Clerk

Town Warrant

and

Town Budget

of the

Town of

RAYMOND

NEW HAMPSHIRE

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF
RAYMOND IN THE COUNTY OF
ROCKINGHAM IN SAID STATE, QUALIFIED
TO VOTE IN TOWN AFFAIRS:

THE POLLS WILL BE OPEN FROM 10 A.M.
TO SIX P.M.

You are hereby notified to meet at the Raymond High School Gymnasium in said Raymond on Tuesday, the eleventh day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. Do you favor adoption of the Town Manager Plan as provided in Chapter 37 of the Revised Statutes Annotated?

3. To see if the town will vote to combine the offices of Town Clerk and Tax Collector, with the office becoming a full-time position, salaried in lieu of fees, all fees to remain with the town. If adopted, the town will elect the Town Clerk-Tax Collector at the next Annual Town Meeting for a term of one year.

4. To see if the town will vote to rescind its prior vote providing for the election of Chief of Police at its Annual Town Meeting and to

provide that at the time of the 1981 Annual Town Meeting and thereafter, all full-time police officers in the town including the Chief of Police shall be appointed officials to be set at the time of the Annual Town Meeting of 1981 and thereafter.

5. To see if the town will vote to rescind its prior vote providing for the election of the Road Agent at its Annual Town Meeting and to provide that at the time of the 1981 Annual Town Meeting and thereafter, the Road Agent shall be an appointed official, to be set at the time of the 1981 Town Meeting and thereafter.

6. Shall the provisions of the N.H. Revised Statutes Annotated relating to the playing of games of Beano be adopted in this town? (Re: Chapter 287)

Given under our hands and seal this nineteenth day of February, in the year of our Lord nineteen hundred and eighty.

SELECTMEN OF RAYMOND

Robert C. Erler

Ivan C. Reed

James R. Turner

A True copy of Warrant-Attest:

Robert C. Erler

Ivan C. Reed

James R. Turner

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF RAYMOND, IN THE COUNTY OF ROCKINGHAM IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Raymond High School Gymnasium in said Raymond on Saturday, the fifteenth day of March 1980, at ten o'clock in the forenoon, to act upon the following subjects:

1. To see if the town will vote to raise and appropriate the sum of \$350,000 (Three Hundred Fifty Thousand dollars) for the design and construction of water system improvements in the town of Raymond, consisting of the development of the unimproved town well site, construction of a new pumping station, installation of water main, and construction of a flood prevention structure around the existing well, and such other related facilities as may be necessary. Such sum to be raised by the issuance of Serial Bonds or Notes in an amount not to exceed \$350,000.00 and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the N.H. Revised Statutes Annotated, and any amendments thereto). And further, to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other action as may be necessary to effect issuance, negotiation, and delivery of such bonds or notes as shall be in the best interest of the Town of Raymond, and to pass any vote relating thereto. All payments of the bonds or notes, including principal and interest, to be financed by the revenues of the Raymond Water Department. Recommended by the Budget Committee.

2. To see if the town will vote to authorize the Selectmen to make application for and to receive and spend in the name of the town, such advances, grants-in-aid, or other funds for town purposes as may now, or hereafter be forthcoming from Federal, State, local or private agencies that would be of benefit to the town.

3. To raise such sums of money as may be necessary to defray town charges for the year ensuing and make appropriations of same.

4. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

5. To see if the town will vote to authorize the Selectmen to transfer tax liens and convey property acquired by the town by tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the selectmen as justice may require.

6. To see if the town will vote to authorize a 2% discount for the prepayment of real estate taxes. If adopted, at least 50% of last year's tax bill must be paid by June 30, 1980.

7. To see if the town will vote to authorize the prepayment of resident taxes and to authorize the tax collector to accept prepayments as provided by R.S.A. 80:1-A.

8. To see if the town will vote to raise and appropriate the sum of \$2,100.00 (Two Thousand, One Hundred dollars) to perambulate and renew the marks and bounds of the Epping-Raymond town lines as required by N.H. Revised Statutes Annotated, Chapter 51:2.

9. To see if the town will vote to adopt the provisions of N.H. Revised Statutes Annotated, Chapter 251:1 as follows: "In all towns, every street shall have a name given to it by the Selectmen. Said name shall be legibly marked on a suitable signboard or other marker and placed in at least two (2) conspicuous places on said street. The Selectmen may change the name of any such street at any time when in their judgment there is occasion for so doing. When a change is made in the name of any street the Selectmen shall make a return of same to the Town Clerk, who shall make a record thereof."

10. To see if the town will vote to authorize the Selectmen to provide for the numbering of all the houses and buildings in the town of Raymond to assist the Ambulance Service and the Police and Fire Departments when answering emergency calls, and to raise and appropriate the sum of \$5,000.00 (Five Thousand dollars) to purchase the required materials. Recommended by the Budget Committee

11. To see if the town will vote to authorize the Selectmen to review the present size and locations of all street lights in town, for the

primary purpose of determining where changes can be made to improve the safety of the citizens of Raymond. The secondary purpose of the review will be towards reducing, if possible, the cost of energy.

12. To see if the town will vote to raise and appropriate the sum of \$3,000.00 (Three Thousand dollars) to widen a corner of Scribner Road for the purpose of installing a drainage culvert, ledge removal, and graveling and resurfacing a section approximately 400 feet in length. Recommended by the Budget Committee

13. To see if the voters will vote that the salaries of each of the three selectmen will be increased by the amount of \$500.00 (Five Hundred dollars) to \$1,500.00 (One Thousand Five Hundred dollars) annually. By petition of ten or more registered voters. Recommended by the Budget Committee.

14. To see if the town of Raymond will vote to hire a Police Officer to serve, full-time, as a combination Juvenile Officer and Criminal Investigator to augment the Raymond Police Department and to raise and appropriate a sum not to exceed \$14,000.00 (Fourteen Thousand dollars) for this position. By petition of ten or more registered voters. Not Recommended by the Budget Committee.

15. To see if the the town will vote to appropriate the sum of \$5,000.00 (Five Thousand dollars) for the construction of a dog kennel and to authorize the withdrawal of the amount required from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of October, 1972. Recommended by the Budget Committee.

16. To see if the town will vote to appropriate the sum of \$9,387.00 (Nine Thousand, Three Hundred Eighty-seven dollars) for the purchase of fire equipment as follows, and to authorize the withdrawal of the amount required from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of October, 1972. Base station radio; monitors for firemen; hydrant gate for engine #2, 2½" x 1½" gated wye for tank truck; 2,000 feet of new fire hose (1,000 ft. of 1½" and 1,000 ft. of 2½"); final stage of rebuilding forestry truck; electric smoke ejector; chrystal for two way radios. Recommended by Budget Committee

17. To see if the town will vote to appropriate the sum of \$30,000 (Thirty Thousand dollars) to repave sections of Main and Epping Streets. Beginning on the west at the Lamprey River, proceeding easterly to the U.S. Post Office, and from the intersection of Main and Epping, proceeding easterly on Epping to the Pilgrim Apartments, and to authorize the withdrawal of the amount required from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of October, 1972. Recommended by the Budget Committee

18. To see if the town will vote to appropriate the sum of \$13,000 (Thirteen Thousand dollars) to do a Solid Waste Disposal study, and to authorize the withdrawal of the amount required from the Revenue Sharing Fund established under the provisions of the State and Local Assitiance Act of October, 1972. Recommended by the Budget Committee

19. To see if the town will vote to appropriate the sum of \$7,200 (Seven Thousand, Two Hundred dollars) for the purchase of a new Police Cruiser and to authorize the withdrawal of the amount required from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of October, 1972. Recommended by the Budget Committee

20. To see if the town will vote to appropriate the sum of \$675.00 (Six Hundred Seventy-five dollars) for the purchase of a two-channel radio for the use of the dog officer, and to authorize the withdrawal of the amount required from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of October, 1972. Recommended by the Budget Committee

21. To see if the town will vote to appropriate the sum of \$5,000 (Five Thousand dollars) for the purchase of a used tractor with mowing and maintenance attachments to be used to maintain community Park and Recreational facilities and to authorize the withdrawal of the amount required from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of October, 1972. Recommended by the Budget Committee.

22. To see if the town will vote to raise and

appropriate the sum of \$6,282.00 (Six Thousand, Two Hundred Eighty-two dollars) for the Exeter Area Visiting Nurse Association, Inc. Recommended by the Budget Committee

23. To see if the town will vote to raise and appropriate the sum of \$500.00 (Five Hundred dollars) for the Newmarket Health Center, Inc. Recommended by the Budget Committee

24. To see if the town will vote to raise and appropriate the sum of \$1,500.00 (One Thousand, Five Hundred dollars) for the Area Homemaker Home Health Aide Service. Recommended by the Budget Committee

25. To see if the town will vote to appropriate the sum of \$2,000.00 (Two Thousand dollars) for Recreational and Educational and Building Maintenance for the center of the elderly. By petition of ten or more registered voters. Not recommended by the Budget Committee

26. To see if the town will vote to raise and appropriate the sum of \$2,000.00 (Two Thousand dollars) for the Seacoast Regional Counseling Center. Recommended by the Budget Committee

27. To see if the town will vote to raise and appropriate the sum of \$692.00 (Six Hundred Ninety-two dollars) to assist Rockingham Child & Family Services, a private, non-profit organization. By petition of ten or more registered voters. Recommended by the Budget Committee

28. To see if the town will vote to appropriate the sum of \$3,500 (Three Thousand Five Hundred dollars) to Rockingham County Community Action Program, Inc. The purpose of this appropriation is the continuance of a Community Services Technician for the Greater Raymond Community Action Center. By petition of ten or more registered voters. Not recommended by the Budget Committee.

29. To see if the town will vote to raise and appropriate the sum of \$30,000. (Thirty Thousand dollars) for the purpose of re-evaluating the properties in the town. This is to be a two-year program; and additional \$30,000.00 will be requested in 1981. Recommended by the Budget Committee.

30. To see if the town will vote to authorize the Selectmen to make application for and to receive and spend up to \$25,000.00 (Twenty-five Thousand dollars) of funds that may become available to the town under the "Comprehensive Employment and Training Act of 1972", as amended (CETA) for the purpose of providing subsidized training and employment opportunities to benefit both residents of the community and of the community at large. Recommended by the Budget Committee.

31. To see if the town will vote to authorize and direct the Selectmen to grant a cable television franchise to CableVision Service Co., Inc., upon such lawful conditions as they may require, to erect, install and maintain in under or over streets, highways and other public ways of the town, wires, cables and other equipment related to the delivery or enhancement of television signals and other electrical impulses all in accordance with and as allowed by N.H. Revised Statutes Annotated 53-C (Supp. 1977). By petition of ten or more registered voters.

32. To see if the town will vote that the election of the Raymond Recreation Commission officers shall, at the time of the Annual Meeting of 1981 and thereafter, be by secret ballot at the Annual Tuesday Town Meeting. By petition of ten or more registered voters.

33. The Annual Town Meeting of March next, 1980, and from that time forward and thereafter, shall be governed by Robert's Rules of Order Revised. By petition of ten or more registered voters.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and eighty.

Robert C. Erler

**RAYMOND
SCHOOL DISTRICT MEETING
March 3, 1979**

The Raymond School District meeting was called to order at 7:15 p.m. in the Raymond Community Gymnasium by the Moderator Frank G. Case.

Method of voting: Articles that were not voted upon by secret ballot were voted upon by raising green colored voting cards with letter "C" printed on them: unless declared otherwise by the Moderator. School District voters received the cards from the Supervisors of the Check List after stating their name to the Ballot Clerks and being checked off on the Check List.

Reverend Neil Iverson opened the meeting with a prayer.

The Pledge of Allegiance was recited by all.

Article 1

Motion: By Hughin Holt, duly seconded by Gloria Carney that Article 1 be acted upon at this time and that the polls remain open until 9:30 p.m. or until the close of the meeting, whichever is later.

The Moderator declared the polls opened at 7:20 p.m. The Moderator declared a 15 minute recess so the voters could vote for school district candidates. At 7:35 p.m., the Moderator declared the recess over.

The Moderator declared the polls closed on Article 1 at 11:15 p.m.

Results of the Secret Ballot vote for Article 1 is as follows:

School Board Members three years:	
Hughin D. Holt	90 votes
Maurice E. Demerritt, Jr.	102 votes

School Board Member for one year:	
Susan H. Newton	105 votes

School District Treasurer one year:	
Mildred R. Guptil	117 votes

School District Clerk one year:	
Rita M. Curtis	115 votes

School District Moderator one year:	
Frank G. Case	118 votes

Total number of ballots cast:	124
Five absentee Ballots cast.	

Article 2

Motion: By Hughin Holt, duly seconded by Sally Paradis that Article 2 be indefinitely postponed.

Voted by a show of cards: Affirmative.

Article 3

Motion: By Hughin Holt, duly seconded by Dennis LaBranche that Article 3 be indefinitely postponed.

Voted by a show of cards: Affirmative.

Article 4

Motion: By Gloria Carney, duly seconded by Dennis LaBranche that the District authorize the School Board to accept on behalf of the District any Federal or State funds including Manpower Administration funds and Department of Resources and Economic Development funds, or gifts from either private or public sources, designed to improve educational opportunities; and also, to authorize the School Board to make application for such funds and to expend the same for projects as it may designate.

Voted by a show of cards: Affirmative.

Article 5

Motion: By Hughin Holt, duly seconded by Maurice Demerritt that the District direct the School Board to allow smoking in the Raymond Community gymnasium and the Lamprey River Elementary School gymnasium-cafeteria facilities for non-school sponsored activities, subject to school board regulations to protect persons and property.

Voted by a count of cards:

Yes 55	No 30
--------	-------

Voted in the Affirmative.

Article 6

Motion: By Hughin Holt, duly seconded by Sally Paradis that the District direct that the elected representatives of the Raymond-Epping area to the General Court to support responsible legislation which holds parents responsible for vandalism and other acts of their minor children, and that the Raymond School Board prosecute children committing acts of vandalism.

Voted by a show of cards: Affirmative (Unanimous).

Article 7

Motion: By Hughin Holt, duly seconded by Gloria Carney that the District authorize the School Board to expend all interest earned on funds invested by the District in the 1978-1979 fiscal year, totaling approximately \$1,900.00 for carrying out and furthering the Bureau of Outdoor Recreation Program previously approved by the District and that the District be authorized to receive and expend \$2,730.00 that may be received as gifts for this project.

Voted by a show of cards: Affirmative. (Unanimous).

Article 8

Motion: By Sally Paradis, duly seconded by Dennis LaBranche that the District authorize the School Board to contract with a qualified independent auditing firm or the Department of Revenue Administration for the fiscal year financial audit, in accordance with the laws of the State of New Hampshire (RSA 197:14, revised) and that said authorization remain in effect until such time as the District votes to elect local auditors as provided by State statutes.

Voted by a show of cards: Affirmative.

Article 9

Motion: By Dennis LaBranche, duly seconded by Hughin Holt that the District raise and appropriate the sum of \$10,000.00 for the establishment of a Capital Reserve Fund for the financing of the preparation of plans for the renovation of existing buildings and the construction of additional school buildings, and for the cost of such renovations and construction.

Voted by a show of cards: Affirmative.

Article 10

Motion: By Hughin Holt, duly seconded by Sally Paradis that the District continue the position of Special Education Director as a service to Supervisory Union #15.

Voted by a show of cards: Affirmative.

Article 11

Motion: By Hughin Holt, duly seconded by Dennis LaBranche that the District appropriate the sum of \$20,000.00 for the programs set forth in this Article and that the School Board be authorized to take whatever action necessary to obtain such grants.

Further, to authorize the School Board to apply for and to expend the sum of \$20,000.00 for such purposes provided that the District will

not be thereby required to raise any additional money by local taxation in this or subsequent years as the result of such expenditure of \$20,000.00

Voted by a show of cards: Affirmative.

T. Anne Marvel requested that it be noted in the minutes that she was not allowed by the Moderator to make an amendment on the motion of Article 11 after the second reading of the Article.

Article 12

Motion: By Maurice E. Demerritt, Jr., duly seconded by Dennis LaBranche that the District accept up to \$108,000.00 which may be made available to the District through the National Energy Act and also authorize the School Board to apply for and to expend up to this amount for such purposes provided that the District will not be thereby required to raise any additional money by local taxation in this or subsequent years as the result of said expenditure.

Voted by a show of cards: Affirmative.

Article 13

Motion: By Dennis LaBranche, duly seconded by Maurice E. Demerritt, Jr. that the District raise and appropriate the sum of \$841,201.00 to fund all cost items relating to teachers' salaries and benefits for the 1979-1980 school fiscal year, \$59,972.00 of such sum representing the cost of those additional salaries and benefits offered to the teachers by the School Board in the Collective Bargaining Session.

Voted by a show of cards: Affirmative.

Article 14

AMMENDMENT: Motion by Francesca Morrissey, duly seconded by Kevin Sullivan that \$100,000.00 be reduced from the amount of \$1,281,585.00 for the support of schools, for the payment of salaries and other benefits for the school district officials and agents other than benefits and salaries payable to teachers and for the payment of statutory obligations of the District.

Voted by a show of cards: Negative.

Motion: By John Ornell, duly seconded by Hughin Holt that the District raise and appropriate the sum of \$1,281,585.00 for the support of schools, for the payment of salaries and other benefits for the school district officials and agents other than benefits and salaries payable to teachers and for the payment of statutory obligations of the District.

Celia Cooley
M. Rooney

The people listed above requested a secret ballot vote on Article 14. The Moderator declared a recess at 10:46 p.m. for 10 minutes or until all the voters present were able to vote. The polls closed at 11:00 p.m.

Results of the Secret Ballot:

Yes 67 No 46

Voted in the Affirmative. Total Ballots cast:
113.

Article 15

Motion: By Gloria Carney, duly seconded by Hughin Holt that the District choose two Raymond voters to serve as members of the Raymond School District Staff Development Committee for the ensuing year.

I nominate Margaret Case and Kathleen Hoelzel who have consented to serve on the Raymond School District Staff Development Committee for one year.

Voted by a show of cards: Affirmative.

Article 16

Other Business:

The following resolution was presented by Hughin Holt,:

I move that the District, by acclamation, recognize the exceptional contribution of Gloria Carney to her community during her six years as a member of the Raymond School Board; and that the minutes of the District Meeting record the appreciation and commendation of the citizens of Raymond to Gloria Carney.

The following resolution was written by Francesca Morrissey and read by Frank G. Case.

Be resolved that the School District Report be distributed to voters of the town at least two weeks prior to the School District Meeting and that said report include the financial report for the last completed fiscal year as submitted to the Department of Revenue Administration under Section 28 of Chapter 189 of the Revised Statutes Annotated.

The Raymond School District meeting was adjourned at 11:36 p.m.

**RAYMOND
SCHOOL DISTRICT MEETING
June 16, 1979**

The Raymond School District Special Meeting was called to order at 11:00 a.m. in the Raymond Community Gymnasium by the Moderator Frank G. Case.

Method of Voting: If the Article was not voted upon by Secret Ballot, it could be voted upon by raising green colored voting cards with the letter "C" printed on them: unless declared otherwise by the Moderator. School District Voters received the cards from the Supervisors of the Check List after stating their name to the Ballot Clerks and being checked off on the Check List.

The Moderator read the Certification of Posting of Warrant:

I certify that on the 25th day of May, 1979, I posted a copy of the written warrant attested by the School Board of said District at the place of meeting within names and like attested copy at Raymond Post Office and at Raymond Shopping Center being public places in said district.

Sally L. Paradis

May 25, 1979

Personally appeared the said Sally L. Paradis and made oath the above certificate by her signed is true.

Before me Richard W. Loiselle
Notary Public

Article 1

Motion: By Sally Paradis, duly seconded by Joseph Elliott that Article 1 be accepted as written:

To see if the Raymond School District will enter into an agreement with the Town of Raymond for joint or cooperative action pursuant to RSA 53-A, and authorize the Raymond School Board to negotiate and execute for the District such an agreement.

The Moderator declared that this article be voted upon by secret ballot. The Moderator declared the polls opened at 11:25 a.m. After all the district voters present voted, the Moderator declared the polls closed at 11:35 a.m.

Results of the Secret Ballot vote for Article 1 is as follows:

Yes: 50

No: 31

Voted in Affirmative.

Total number of ballots cast: 81

Susan H. Newton

**RAYMOND SCHOOL DISTRICT
WARRANT
THE STATE OF NEW HAMPSHIRE**

TO THE INHABITANTS OF THE SCHOOL
DISTRICT, IN THE TOWN OF RAYMOND,
COUNTY OF ROCKINGHAM AND STATE
OF NEW HAMPSHIRE, QUALIFIED TO
VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Community Gymnasium in said District, on the Eighth day of March, 1980, at six o'clock in the evening to act upon the following articles:

1. To see if the District will appropriate Four Hundred Sixty Two Thousand Dollars (\$462,000.00) or any other sum, in addition to Fifteen Thousand Dollars (\$15,000.00) previously expended, for altering the Raymond Junior/Senior High School and for purchasing equipment of a lasting character in connection therewith; to determine whether such appropriations shall be raised by borrowing or otherwise; to authorize the School Board to contract for and accept grants of Federal and State aid in connection therewith; or to take any other action relative thereto. (Recommended by the Budget Committee)

2. To choose agents and committees in relation to any subject embraced in the warrant.

3. To choose two Raymond voters to serve as members of the Raymond School District Staff Development Committee for the ensuing year.

4. To hear reports of Auditors and pass any vote relating thereto.

5. To see if the District will authorize the School Board to accept on behalf of the District any Federal or State funds, including Manpower Administration funds and Department of Resource and Economic Development funds, or gifts from either private or public sources, designed to improve educational opportunities; further, to see if the District will authorize the School Board to make application for such funds and to expend the same for projects as it may designate.

6. To see if the District will vote to authorize the School Board to convey to Ronald and Judy

Piecuch a strip of land along the District's common boundry with Ronald and Judy Piecuch in exchange for a deed from Ronald Judy Piecuch to the school district of a strip of land along the parties' common boundry; and further, to authorize the School Board to grant easements over Raymond School District property to the Raymond Water Department for a right of way, a water line and power line as long as an active water station is maintained on school district property.

7. To see if the District will vote as a supplemental appropriation the sum of Forty Thousand Dollars (\$40,000.00) for the 1979-1980 school year for the purpose of providing special education to handicapped students. (Recommended by the Budget Committee)

8. To see if the District will vote as a supplemental appropriation the sum of Five Thousand Dollars (\$5,000.00) for the 1979-1980 school year for the purpose of Energy Conservation in the Raymond Junior/Senior High School. (Recommended by Budget Committee)

9. To see if the District will vote to authorize the School Board to expend all interest earned on the Outdoor Recreation Programs funds invested by the District on the 1979-1980 fiscal year for carrying out and furthering the Bureau of Outdoor Recreation Program previously approved by the District. Further, that the School Board be authorized to expend all money that may be received as gifts for such project; however, the total sum to be expended hereunder shall not exceed Five Thousand Dollars (\$5,000.00). (Recommended by Budget Committee)

10. To see if the District will vote to accept and expend funds in the amounts set forth below which may be made available to the District through the following Federal programs:

Career Education	\$2,000.00
Gifted & Talented	5,000.00
C.E.T.A.	5,000.00
Title IV	5,000.00
Other Programs	3,000.00
Total:	\$20,000.00

(The amounts of money set forth above for each program are estimated and the amount ap-

propriated for any one program may be overexpended so long as the total amount for all of the the above programs does not exceed Twenty Thousand Dollars (20,000.00). (Recommended by Budget Committee)

11. To see if the District will vote to raise and appropriate the sum of Nine Hundred Ninety Eight Thousand, Eight Hundred Forty One Dollars (\$998,841.00) to fund all cost items relating to teachers' salaries and benefits for the 1980-1981 school fiscal year; One Hundred Thirty Nine Thousand, One Hundred and Seventy Dollars (\$139,170.00) of such sum representing the cost of those additional salaries and benefits offered to the teachers by the School Board in the Collective Bargaining Session. (Recommended by Budget Committee)

12. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers; and for the payment of the statutory obligations of the District.

13. By petition; To see if the Raymond School Board members and District officers shall be elected by secret ballot at the annual Tuesday Town Meeting of March next, 1981 and thereafter.

14. By petition: To see that the Community Activities Account can only be spent for a community activity such as a dance, club meeting, or volleyball. That activities that normally take place on the school grounds and in the school buildings during the time a janitor is present not be charged as an extra to the community and that further, any of these groups using the facility be asked to sign a voucher stating the time spent either on the grounds or in the building, and how long a janitor or person was required to be present for their activity.

15. By petition: To see that the Annual School District Meeting of March 1980, and from that time forward and thereafter, shall be governed by Robert's Rules of Order - revise.

16. By petition: To see if the District will vote to appropriate the sum of Twenty Thousand Dollars (\$20,000.00) for the construction of tennis courts, Ten Thousand Dollars (\$10,-

000.00) of such sum to be raised by taxation, the remaining Ten Thousand Dollars (\$10,000.00) to be obtained as a matching grant from the Department of Resources and Economic Development for the State of New Hampshire. (Not recommended by Budget Committee)

SCHOOL BOARD OF
RAYMOND, NEW HAMPSHIRE

Sally L. Paradis, Chairperson
Hughin D. Holt
Dennis H. LaBranche
Maurice E. Demeritt, Jr.
Susan H. Newton

17. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 21st day of February 1980.

(School portion of the Business Profits Tax \$122,326.00 to be applied to the District Assessment when computing the School Tax Rate.)

REPORT OF SCHOOL BOARD

As we enter a new decade, it seems appropriate to reflect for a moment on concerns faced by the district during the 1970's. The first half will no doubt be remembered as the years of "double sessions" caused by an unprecedented growth in student population which occurred in the late 60's. It wasn't until a bond issue in 1975 provided for expanded school facilities that students were once again exposed to a normal school day in September 1976. However, growth in the elementary school continued until it was necessary to re-locate the sixth grade to the junior-senior high school. Although certainly not an ideal situation, it seemed the best alternative at the time. As the 70's come to a close, student enrollment for whatever reason, remains relatively stable.

Over the last ten years, much of the actual work of the school board has been divested in sub-committees attempting to focus in more depth on student and district needs at the same time allowing for broader participation of community members and school personnel. On-going functions are the Curriculum Council, Staff Development, Accountability, as well as board representation on the municipal budget committee, community recreation committee, area vocational committee. In addition committees were appointed this fall in the areas of Discipline, Energy Conservation, Drug Prevention, and Co-Curricular Activities to address some concerns which are sure to be with us in the 80's. The tasks of these groups are outlined for your interest:

DISCIPLINE COMMITTEE

Because there exists a concern for student discipline, this committee developed a discipline code similar to the one created by the New Hampshire State Department of Education. The newly developed code is presently being reviewed by legal counsel for final approval by the school board prior to publication. Concurrently, the school board has authorized a program at the secondary level called "Project Focus" that deals with students who have had difficulty adapting to the formal educational environment. Students enrolled in this program participate in the traditional educational process with a "family" of students who have had similar problems.

CO-CURRICULAR COMMITTEE

To further enhance the benefits derived from the co-curricular program this group has met to review the current program, personnel roles, and will offer to the board appropriate policy recommendations to define program goals, formalize job descriptions, define student rights and responsibilities, and recommend transportation guidelines for athletic, and other student trips.

PREVENTION OF DRUG ABUSE COMMITTEE

The incidence of drug (including alcohol) abuse in our schools is currently being examined and the committee has accepted as its task the consideration of such topics as (1) gathering information about drug substances and their effects, (2) referral sources for those needing treatment, (3) definition of personnel responsible for curriculum development and implementation, and (4) information about judicial system policies, due process, court practices, and penalties, implications of convictions. The ultimate goal will be the development of a drug prevention program for students, teachers, and parents to be incorporated as part of the health education curriculum.

ENERGY CONSERVATION COMMITTEE

An important challenge being addressed is the conservation of energy. This fall a committee undertook to create an awareness of conservation by staff, students, and community members and immediate steps were instituted including (1) reducing light wattage, (2) eliminating lighting where possible (3) turning off lights when not in use, (4) installing 9" fiberglass insulation in the media center ceiling (old gym) and ceilings of the 300 wing, (5) balancing of heat zones, (6) caulking and weatherstripping, (7) turning down thermostats during non-school hours. While the effects of a mild winter have had a great impact on the overall consumption of fuel, nevertheless, it is felt that the measures instituted to date have been a contributing factor.

The 80's bring with it an educational opportunity for Raymond students that is long

overdue. The Area Vocational School in Exeter of which Raymond is a sending district, will open this fall. Designed to meet the needs of the vocationally oriented student, as well as provide a resource for the area business community, Raymond is entitled to send 50 juniors and seniors this September. Long needed to supplement our local program, emphasis in Exeter will be on training youngsters through work-study programs with gainful employment as its goal.

The cost of financing public schools still plagues all of us. The Raymond School District was one of 20 districts in New Hampshire recently studied by the Center for Educational Field Services to compare educational opportunities in property-poor with those of property-rich communities. Out of 168 districts, only 7 spend more of their local property tax dollar to support its schools than does Raymond (approximately 80%). In spite of this effort, the educational opportunities afforded Raymond students are far below those in property-rich communities. Evidence confirms that the present method of financing public education in this state is not fair — not only to children, but to taxpayers as well. Whether a new state tax is necessary to equalize this inequity is a matter of on-going debate in the state capital; perhaps a re-distribution of present revenue would do the job. In any event, the issues raised by the study cannot continue to be ignored.

Presently the public's concern is that the three R's are not being addressed. Perhaps it is because public education is being asked to accomplish too much in what is essentially the same length school day as it was 30 years ago.

We ask our schools to feed students lunch and snacks; check student's vision and hearing, show students how to care for their teeth; teach young people good nutrition; provide recreation; teach students to respect others and to respect themselves; show young people how to drive cars; and convince young people not to use drugs. A California school official put it well when he said that today's schools are being asked to do what people used to ask God to do. When you consider the myriad of tasks, perhaps he is not far from wrong.

As we look ahead, then, a re-definition of educational priorities is a possibility. Special education costs continue to rise and the shortfall of state funds is ever-threatening. Transporting pupils to and from school becomes a more costly item with no direct educational benefit. Energy costs, higher salaries, and other costs will be in even stronger competition for the shrinking tax dollar. To re-define priorities will not be easy, however, especially in a school system already operating at below state average costs.

The decisions to be made in the years ahead will be tough. Perhaps even more so than in the past, the survival and success of our schools will depend upon the active involvement of local citizens willing to devote hours and attention necessary to the concerns of our schools. Using as a resource the talent and knowledge of our school staff, by working together we can — and will - provide the best possible learning opportunity for our children.

Sally L. Paradis
Chairperson

RAYMOND JUNIOR-SENIOR HIGH SCHOOL PRINCIPAL'S REPORT

TO: The Superintendent, School Board and the Raymond School District

We are frequently told in education that the one thing we do not do well is to teach the public about our successes. So, I guess this report will be aimed at telling you about some of our successes on the local level.

Some thirty years ago we were graduating about fifty percent of those who entered high school. Today those figures are better than eighty percent, and rising. "Why is this so?" you ask. "Because we are doing things differently", I say. And I would further have to say that you must be doing things differently, for we know that the quality of family life influences school work. Successful reading programs need parent support, and we are asking for yours. Local ownership is important to any child's learning, and the local school board has guaranteed you this.

As we close the book on the seventies, we do so knowing full well that no other nation has ever carried such a high percentage of its citizens so far. The challenge for the next decade has already been mandated, by law. And quite simply put it is to increase the percentages. It means providing that same kind of lift for the handicapped, the learning disabled, and the disenfranchised. We have already accepted this challenge.

FOCUS

We have initiated a special program for the un-motivated called Project Focus. This involves 35 students at the ninth grade level, and three teachers of English and Social Studies. Focus provides an alternative education plan for students who have been identified as disaffected, showing a lack of motivation, lack of confidence and low self-esteem. It helps students learn responsibility to self, school and society.

Focus is a "school within a school" for high school students who are not achieving or functioning in a way beneficial to themselves or to those around them. The Focus program attempts to: (1) reduce student disaffection with school and learning; (2) improve each student's grasp of basic skills; (3) build a classroom culture that demonstrates the caring principle; (4) improve each student's ability to relate effectively with peers and adults; (5) give each

student a reason to be optimistic about the future.

Focus is a highly structured program. The curriculum materials are modified to meet the student's level of skill development, and presented in relation to survival beyond high school. These students are mainstreamed in science, mathematics, physical education, health and electives in the regular school program.

All Focus students are involved in a group counselling experience called Family. Each Family consists of ten to twelve members and one teacher who meet together on a daily basis. Family attempts to help the student develop feelings of caring, self-worth, and concern for others. It includes examination of one's own behavior, with relation to others, within an atmosphere of positive support from the group. It involves doing things as a Family.

We see improved attitudes toward school, people in school, an improved self-concept, increased achievement. We see decreased referrals, discipline problems and absenteeism.

Reading

We have finally made our point, and now have the services of a reading specialist at the Junior-Senior High School level. So Mom, "the teaching of reading isn't just for elementary kids anymore"!! Hence, I would like to discuss program development with you:

(1) At the sixth grade level we are agreed that we need an additional teacher. We are planning to initiate a program of volunteer tutors using high school students. Our needs for reading materials should be met immediately through Title IV. An alternative basal program of reading will be used with students experiencing reading difficulty. We will strive for closer coordination with the language arts program at the elementary school. The handwriting program will be continued.

(2) At the seventh and eighth grade levels additional reading time will be built into the language arts schedule. We will give special care to skills relating to content areas. Our purchases in the library area will reflect an increase in volumes of high interest to foster appreciation. A diagnostic system of testing will be used to determine specific skill area

weaknesses. This will no doubt alter the approach in the English classrooms to insure that skills are developed effectively. A readability formula will be applied to future requests for textbooks in each of the content areas. An attempt will be made to schedule lower level reading. English and Mathematics classes in the morning, in order to give basic skills priority in the learning process.

(3) High school classes will continue to be grouped homogeneously with lower level classes being limited in size. High school English teachers and the reading specialist will work closely to coordinate a language arts program which incorporates reading and language skills. All high school teachers are being given in-service instruction on teaching reading skills in the content areas. We would like to set up a reading clinic for high school students in 1981-1982 for remediation, and individualized programs for speed reading.

We trust that in the ultimate the whole school will reflect our commitment to the importance of reading, and especially the enjoyment of reading.

RESOURCE CENTER

The resource center provides three components: (1) alternative curriculum, where appropriate; (2) additional instruction directed at overcoming a handicapping condition or its effects; and (3) support/assistance for handicapped and non-handicapped students assigned to regular classes.

The primary focus of the resource center is on students with mild to moderate educational handicaps whose specific needs are compatible with program offerings. A secondary focus is on non-handicapped students who may profit from program offerings and who have no satisfactory alternative for programming.

Handicapped students may be assigned only such a recommendation by the Evaluation-Placement Team and the completion of the placement process, including parental approval of the Annual Statement of Placement. Non-handicapped students may be assigned to the resource center on a space available basis after completion of the non-handicapped special needs process.

In the special needs area academic programs emphasize survival skills which are incorporated into reading, mathematics and social studies. Survival skills are skills for daily living and include: family care and management,

shopping, employment, banking, insurance, the development of a positive self-image, decision-making and problem solving, along with other social skills.

The goals of the learning laboratory provide for individualized prescriptive learning for every student. A certified learning disabilities teacher monitors student progress as he/she works at his/her own rate and with materials designed to remediate his/her specific problems. Each student has a daily task folder that directs him/her to the lessons for that day. The students progress is recorded each day and a new prescription assigned.

Students who have been failing due to emotional, behavioral, and adjustment problems are provided a structured learning environment where each student's progress can be closely monitored. Each student receives academic support in his or her regular class subjects in addition to an individualized plan. In addition to academic considerations the program focuses on the students need to accept limits and responsibilities necessary to function within the school and the community. Students experiencing difficulties with communication, self-concept, and interpersonal relations, emotional control, and peer and authority interaction, are offered an alternative environment with the ultimate goal as re-entry into the mainstream of the school.

When one speaks of accountability, we feel that what we are doing in the three areas mentioned above are the essence of accountability. Add to this ability grouping in the mainstream plus the extension of curriculum provided by the new Area Vocational School, and we take a back seat to no one when it comes to being accountable. This we feel is the quintessence of accountability.

We are very proud of the staff we have assembled to work with your children, and we thank them.

We are grateful for a dedicated School Board, and a tireless Central Office Staff.

Our sincere and heartfelt thanks go out to you our fellow townspeople for your continued cooperation and support.

Sincerely,
John J. Callaghan., Principal

LAMPREY RIVER ELEMENTARY SCHOOL PRINCIPAL'S REPORT

To: The Superintendent, School Board, and the School District

The current school year began on September 6. We opened with an enrollment of 538 students, grades 1-5. The enrollment has subsequently risen to 541 as of January 16, 1980.

Perhaps the most pleasing news that we have had this year is that we have been awarded Category I certification by the State Department of Education. This means that our elementary school meets all state minimum standards. This is a distinction enjoyed by only 12% of the elementary schools in the state of New Hampshire. You, the people of Raymond, should take great pride in this — your support of our school is the major cause.

On January 14 we were visited by a representative of the U.S. Office of Education who was involved in an evaluation of services for handicapped students in the state of New Hampshire. Our school was chosen for an onsite visit. As of January 16, we have not received a written report. Preliminary verbal reports, however, indicate that the evaluator was impressed with our school, our staff, and our service delivery to students with special needs.

In the area of special programs, the addition of a full-time learning disabilities specialist has enabled the district to meet the remedial needs of students considered learning disabled as well as providing for the educational needs of students who benefit from a combination of academic as well as remedial service delivery. Specifically, the district is now providing an appropriate education to four students who would have been placed out of district.

The preschool population presently being serviced is continuing to expand. Nine students are presently receiving services and five others are at various stages of being evaluated. The needs of this population will continue to grow as various aspects of the at-large community service delivery system become more aware of needs and able to identify needs.

The student enrollment picture is very much the same as it was last year at this time. In terms of building space, this year has been manageable. We have classes occupying 23 of our 24 classrooms. We have one classroom

given over to music instruction. Only the 5th grade has class sizes of more than 30 students. Class sizes in grades 1, 2, and 3 are 26 students or less. 4th grade classes average 28 students.

We are most pleased with the success of our Parent-Teacher Organization. The PTO was organized in the spring of 1978, and is now well into its second full year of operation. The organization has not only provided programs of interest to the parents of school age children but has also been very successful in raising funds for the school. Evidence of the PTO's success in raising money and of its generosity can be seen all over the school property. This past year they have purchased a basketball standard, playground slide, tetherball post and tetherball. Partially as a result of these purchases, we now have a playground which services our needs. The organization also purchased a portable stage. We would like to take this opportunity to thank the officers and committee chairpersons of this fine organization for their help.

The Enrichment Program for students of high academic ability was begun in September. It is serviced by six teachers and is open to qualifying students in grades 3, 4, and 5.

The Staff Inservice Training Project has also been continued for the third consecutive year. As a principal I wish to comment that the staff inservice time is one of the best management tools used in the Raymond School District. It has given us an opportunity to begin to complete many necessary and worthwhile projects. Among these been the curriculum guide; the library skills curriculum; the health education curriculum; revision of the elementary school's report card; a study on the academic effects of retention in grades; the organizing and execution of the enrichment program; planning for the delivery of service to the handicapped students; and the careful preparation of the school budget.

Once again, I would like to thank the people of Raymond for their superb effort in the support of schools. I can safely say that your efforts have been rewarded in that your children are attending an exceptional elementary school.

Respectfully submitted,
Edward W. Donovan, Principal
Lamprey River Elementary School

RAYMOND SCHOOL DISTRICT'S CURRICULUM COUNCIL REPORT 1979-80

During the first half of the 1978-79 school year the curriculum council served as the local planning group (LPG-I) for the development of an accountability plan. This was done because the state department of education had directed that all school districts develop a plan for making the public schools accountable to their constituents for what children learn. Under the exemplary leadership of Deborah Brooks, the committee did an exceptional job in exploring the accountability issue and developing a plan of implementation. With these two important steps mastered, the responsibility for the execution of the accountability plan fell to a newly formed committee called Local Planning Group-II(LPG-II). Beginning last spring and continuing with the opening of school in September, the curriculum council has turned its attention once again to being an advisory committee to the Raymond School Board on matters of curriculum development, and implementation.

Beginning with its October 1979 meeting, the council examined its purpose anew, and identified tasks for the 1979-80 school year.

The major undertaking beginning this year

will be a review of the entire curriculum, grades 1-12. The major objective of this action is to give the council and, through it, the school board, a general view of curriculum within the district. Each subject area within the elementary school and each department within the secondary school will be reviewed. In reviewing the curriculum the council wishes to ascertain the following:

(1) That departmental goals and objectives exist.

(2) That the curriculum complies with school district goals.

(3) That all student populations within Raymond schools are served by the curriculum.

(4) That long-range planning within the schools and between departments is occurring.

In addition to the above, the council is also investigating the possibility and desirability of having an evaluation of the high school program done by the Association of New England Secondary Schools and Colleges at some future date.

Respectfully submitted,
Edward W. Donovan, Chairperson

SUPERINTENDENT'S REPORT RAYMOND SCHOOL DISTRICT

In 1978, the Raymond School Board appointed a committee to consider essential educational goals as they pertain to the students of the Raymond School System. Under Section 6 of the Powers and Duties of the School Board came the basis of authority for the establishment of the New Hampshire Accountability Plan.

"School boards shall, in consultation with the Superintendent and in accordance with statutes and regulations of the State Board of Education, determine the educational goals of the district, develop long-range plans and identify measurable and attainable short-term objectives. The school board shall require the appropriate review of such programs and make public the results of such investigations."

This committee was comprised of a school board member, central office personnel, principals, teachers and parents of Raymond. After the conclusion of a two-day workshop, the committee held a general session in one of the schools in the district for parent and community input. Following this, the committee again regrouped and submitted to the Raymond School Board what they felt were essential goals for the students of Raymond. Upon reviewing these educational goals, the following policy was adopted by the Raymond School Board on May 4, 1978.

1. **Basic Skills:** Education should develop in each learner, to the fullest extent possible, the basic skills needed for communication, perception, evaluation and conceptualization of ideas. Among the most important areas are reading, writing, speaking, listening, visual and mathematical skills.

2. **Intellectual Application:** Education should develop the perceptive skills for creative, constructive and critical thinking, problem solving and evaluation.

3. **Occupational Competence:** Education should provide the learner with skills, experience, and attitudes and guidance for career planning; it is even more important for the learner to develop a capacity to adapt to changing conditions.

4. **Self-worth:** Education should develop a positive self-concept and an appreciation of one's worthiness as a member of society; education should develop a feeling of personal satisfaction in one's achievement and progress.

5. **Citizenship in a Democratic Society:** Education should provide each learner with a knowledge and understanding of the American heritage and of how our society functions in theory and in practice; education must also foster individual commitment to exercise the rights and responsibilities of citizenship and to protect the rights of others.

6. **Health:** Education should encourage students to acquire good health habits and an understanding of the conditions necessary for the maintaining of physical, mental and emotional well being.

7. **Creative Interests and Talents:** Education should provide each learner with varied opportunities to nurture interests, to discover and to develop natural talents and to express values and feelings through various media.

8. **Understanding of the Environment:** Education should provide each learner with knowledge and understanding of the social, physical and biological worlds and the balance between man and his environment and should develop attitudes and behavior leading to intelligent use of the environment.

9. **Individual Values and Attitudes:** Education should expand and advance the human dimensions of all learners, especially by helping them to identify and cultivate their own spiritual, moral and ethical values and attitudes.

10. **Continuing Learning:** Education should prepare students to live in a world of rapid change and unforeseeable demands in which continuing education throughout his adult life will be a normal expectation.

11. **Consumer Knowledge:** Education should enable students to become intelligent consumers of material goods, cultural products and services.

As we pursue and implement the accountability project during the next several years, the outcome of this project will eventually

lead to the development of curriculum from each of the basic areas of content as established in the goals of the district.

Inasmuch as these projects are quite an undertaking, I wish to express my thanks to the

members of the community, the administration, staff and school board for their support in this educational endeavor.

Respectfully submitted,
David R. Cawley

Parking area for district-owned vehicles

STAFF DEVELOPMENT COMMITTEE REPORT

The New Hampshire Department of Education has mandated that all professionals meet certain requirements to maintain their certified status. Thus the Raymond Staff Development Committee was established by the Raymond School Board to write a Master Plan for the enrichment of our system's paraprofessionals and the recertification of our professionals. The Committee's present Master Plan has been approved by the State Department of Education through June of 1981, so our work this past year has primarily been implementing this existing plan.

This committee has fifteen members representing teachers, non-teaching staff, the School Board, students, principals, and the Superintendent. The Raymond School Board's District Goals are kept clearly in mind when planning inservice workshops and programs, so that reimbursed course work and activities will to towards the realization of these goals.

In 1979 the committee chose the goal of "Basic Skills" as their focus. A workshop was given on how to develop and use learning centers; another program dealt with writing behavioral objectives. Along with these, a course on discipline was taught by Jack Aghti.

Through their participation in such activities and by taking regular college courses, Raymond's staff has both complied with state requirements for recertification and worked on increasing their knowledge of particular subject areas and the skills required to communicate this knowledge. Thus our staff will be ever more prepared to meet the needs of our district's students through more interesting class work and more stimulating curriculum.

Susan H. Newton
School Board Representative

SUMMARY OF FINDINGS AND RECOMMENDATIONS

The School Board
Raymond School District
Raymond, New Hampshire 03077

Members of the Board:

Submitted herewith is the report of the examination of the Raymond School District for the year ended June 30, 1978 which was made by this Division in accordance with the vote of the District.

One of the enclosed audits must be given to the District Clerk for retention as part of the School District's permanent records.

FINANCIAL STATEMENTS

Analysis of Change in Fund Balance: (Exhibit A-2)

On a budgetary basis, the General Fund Change in Fund Balance is summarized as follows:

Revenues in Excess of Estimates	\$30,990
Net Unexpended Balances of Appropriations	3,182
July 1, 1977 Fund Balance Used to Reduce School Tax	(17,664)
Increase in Fund Balance	\$16,508

GENERAL COMMENTSFederal Funds - Not Appropriated:

The appropriation of any funds, regardless of their source, requires a School District Meeting. It is necessary for the School Board to be vested with authority by the School District Meeting in order to apply for and expend federal monies in a specific instance.

The Raymond School District did not appropriate C.E.T.A. funds as required. The District's expenditures of these funds amounted to \$10,373 of which \$5,979 was received from the federal government and which a receivable has been established at \$4,394.

In addition to the above-mentioned funds, federal funds in the amount of \$2,845 were received and expended for the program entitled "Artist in School", as well as \$2,000 for the "Right to Read" program. The federal grants funding these programs were also not appropriated as required.

School Lunch Fund:

R.S.A. 197:23-a Treasurer's Duties, states in part, "The treasurer shall have custody of all moneys belonging to the district and shall pay out the same only upon orders of the school board...".

At the present time, School Lunch Funds are maintained in the custody of the School Lunch Director. Funds received from the sale of meals and milk, as well as federal reimbursement funds received through the School District and in some instances, District appropriations are deposited by the School Lunch Director and all payments for food and supplies, as well as some equipment purchases and payrolls, are made by the School Lunch Director. The Treasurer is not involved in these transactions, nor are invoices or manifests approved by the School Board.

It is recommended that School Lunch Funds be returned to the custody of the School District Treasurer in accordance with the above statute.

Conclusion:

The provisions of Chapter 71-A, Section 21, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District. Publication of the Exhibits contained in the audit report is optional at the discretion of the School Board.

We extend our thanks to the officials and employees of the Raymond School District for their assistance during the course of the audit.

MUNICIPAL SERVICES DIVISION
DEPARTMENT OF REVENUE ADMINISTRATION

AUDITOR'S OPINION

The School Board
Raymond School District
Raymond, New Hampshire 03077

We have examined the financial statements of the various funds and account groups of the Raymond School District listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records as we considered necessary in the circumstances.

As is the practice with most New Hampshire School Districts, the Raymond School District has not maintained a record of its general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the financial statements listed in the aforementioned table of contents present fairly the financial position of the various funds and account groups of the Raymond School District and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles which have been applied on a basis consistent with that of the preceding year.

The supplemental schedules included in this report, although not considered necessary for a fair presentation of the financial position and results of operations of such funds and group of accounts, are presented primarily for supplemental analysis purposes. This additional information has been subjected to the audit procedures applied in the aforementioned examination of the basic financial statements and is, in our opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies employed in the preparation of these financial statements.

Fund Accounting

The diverse nature of governmental operations and the necessity of determining compliance with legal provisions requires modification of accounting systems commonly used by commercial enterprises. Rather than establishing a single unified set of accounts to record and summarize all financial transactions, the accounts of the School District are organized on the basis of funds and account groups, each of which is considered a separate entity with self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, transfers and expenditures.

Budgetary Accounting and Appropriations

General governmental revenues and expenditures accounted for in the General Fund are controlled by a budgetary accounting system in accordance with various legal requirements which govern the School District's operations.

Appropriations in the General Fund are recorded when a liability has been incurred for goods and services received. Commitments for goods and services to be received are recognized as segregated reserves of budgetary appropriations and accordingly are carried forward until expended.

Basis of Accounting

The accounts of the Capital Projects and Agency Funds are maintained and reported on an accrual basis. All other funds included in the financial statements are maintained and reported on the modified accrual basis.

Under the modified accrual basis of accounting, revenues are recorded when received in cash except in cases where they are both measurable and available and, therefore, are resources which may be appropriated. Expenditures, except for interest on general long-term debt which is recorded when it becomes due, are recorded when certain goods or services are received and actual liabilities are incurred.

Other General Accounting Policies

Substantially all employees of the District participate in the State of New Hampshire Retirement System. Under this plan, participants contribute annually a percentage of compensation fixed by law and dependant upon age

NOTES TO FINANCIAL STATEMENTS

(Continued)

Other General Accounting Policies (Continued)

when contributions begin. District expense for the year ended June 30, 1978 was \$14,485.

District employees may accumulate up to 120 days of sick leave depending upon the terms of their contracts but are not entitled to a lump sum cash payment. The district does not record the cost of sick leave when earned. The estimated value of accumulated sick leave at June 30, 1978 is approximately \$144,480.

2. FUND BALANCE OF THE GENERAL FUND

The School District follows the practice of applying Fund Balance of the General Fund of the current year as a reduction of taxes in the following year.

3. DEFICIT APPROPRIATION

Article 8 of the 1978-79 Raymond School District Meeting authorized an appropriation of \$16,000 to cover an anticipated deficit in the 1977-78 Budget for Special Education.

4. RAYMOND COMMUNITY OUTDOOR RECREATION FACILITIES

The Raymond School District has raised in taxes during the past three years a total of \$37,104 for recreation facilities as follows:

Appropriations

F/Y/E 6/30/76 Budget	\$27,054
F/Y/E 6/30/77 Budget	27,050
F/Y/E 6/30/78 Budget	<u>26,700</u>
	<u>\$80,804</u>

Less Estimated Revenues

F/Y/E 6/30/77 Budget	\$27,000
F/Y/E 6/30/78 Budget	<u>16,700</u>
	<u>\$43,700</u>

Total Raised by Taxes	<u>\$37,104</u>
-----------------------	-----------------

It is anticipated that approval of this project by Federal Bureau of Outdoor Recreation will result in the federal government providing matching funds equal to this amount plus amounts raised for this purpose by the year ended June 30, 1979 and the year ended June 30, 1980 budgets.

RAYMOND SCHOOL DISTRICT

AUDITORS' OPINION

We have examined the financial statements of the various funds and the general long-term debt group of accounts of the Raymond School District for the fiscal year ended June 30, 1979 listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As is the practice with many municipalities in the State, the Raymond School District has not maintained a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

In our opinion, the financial statements listed in the aforementioned table of contents present fairly the financial position of the various funds and the general long-term debt group of accounts of the Raymond School District at June 30, 1979 and the results of operations and the changes in fund balances of such funds for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The supplemental schedules included in this report, although not considered necessary for a fair presentation of the financial position and results of operations and the changes in fund balances of such funds, are presented primarily for supplemental analysis purposes. This additional information has been subjected to the audit procedures applied in the aforementioned examination of the basic financial statements and is, in our opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

RAYMOND SCHOOL DISTRICT

LETTER OF TRANSMITTAL

Members of the School Board
Raymond School District
Raymond, New Hampshire

Gentlemen:

Submitted herewith is the report of our examination of the financial statements of the Raymond School District for the fiscal year ended June 30, 1979. Exhibits as hereafter listed are included as part of this report.

FINANCIAL STATEMENTS

General Fund

<u>Balance Sheet</u>	Exhibit A-1
<u>Statement of Changes in Fund Balance</u>	Exhibit A-2
<u>Statement of Estimated and Actual Revenues</u>	Exhibit A-3
<u>Statement of Appropriations and Expenditures</u>	Exhibit A-4

A balance sheet disclosing the financial condition of the general fund at June 30, 1979 is presented in Exhibit A-1. The unreserved fund balance amounted to \$53,006 at June 30, 1979. A statement of the changes in fund balance is shown in Exhibit A-2.

Statements of estimated and actual revenues, appropriations and expenditures are included in Exhibits A-3 and A-4, respectively. As indicated therein, revenues in excess of estimates amounted to \$80,910, while expenditures exceeded appropriations by \$31,379, resulting in a 1978-79 budget surplus of \$49,531.

Capital Projects Funds

<u>Balance Sheet</u>	Exhibit B-1
<u>Statement of Revenues, Expenditures and Changes in Fund Balances</u>	Exhibit B-2

FINANCIAL STATEMENTS

A balance sheet of the capital projects funds at June 30, 1979 is presented in Exhibit B-1. The fund balances amounted to \$78,714 at that date. A statement of revenues, expenditures and changes in fund balances is contained in Exhibit B-2.

Special Revenue Funds

Balance Sheet Exhibit C-1
Statement of Revenues, Expenditures and Changes in Fund Balances. . . Exhibit C-2

A balance sheet of all the special revenue funds is presented in Exhibit C-1. These funds include the school lunch program funds and the student activity funds. The special revenue fund balances totaled \$50,241 at June 30, 1979. A statement of revenues, expenditures and changes in fund balances is contained in Exhibit C-2.

Debt Service Fund

Balance Sheet Exhibit D-1
Statement of Revenues, Expenditures and Changes in Fund Balance . . Exhibit D-2

A balance sheet of the debt service fund is presented in Exhibit D-1. A statement of revenues, expenditures and changes in fund balance is contained in Exhibit D-2. The School District paid \$132,000 for principal and \$91,809 for interest payments for the current year redemption of bonds and notes.

General Long-Term Debt Group of Accounts

Balance Sheet Exhibit E-1
Statement of School Debt Service Requirements Exhibit E-2

A balance sheet of the general long-term debt of the School District is contained in Exhibit E-1. The long-term debt amounted to \$1,295,000 at June 30, 1979. A statement of annual debt service requirements is contained in Exhibit E-2.

We extend our thanks to the officials and the office staff of the Raymond School District for their assistance during the course of the audit.

Very truly yours,

Killion, Plodzik + Sanderson

RAYMOND SCHOOL DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies employed in the preparation of these financial statements.

A. Basis of Presentation

The accounts of the School District are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, equities, revenues, and expenditures or expenses. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the School District:

GOVERNMENTAL FUNDS

General Fund - The General Fund is the general operating fund of the District. All revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Capital Project Funds - Capital Project Funds are used to account for financial resources segregated for the acquisition or construction of major capital facilities.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action.

Debt Service Fund - Debt Service Funds are used to account for the annual payment of principal and interest on long-term general obligation debt.

ACCOUNT GROUPS

General Long-Term Debt Account Group - This account group is established to account for the long-term debt that is backed by the School District's full faith and credit.

B. Basis of Accounting

The modified accrual basis of accounting is followed by the governmental funds. Under the modified accrual basis of accounting, revenues are recorded when received in cash, except in cases where they are both measurable and available and not received at the normal time of receipt. Expenditures, other than interest on long-term debt, are recorded when the liability is incurred.

RAYMOND SCHOOL DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

C. Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures; therefore, the reserve for encumbrances is reported as part of the fund balance.

D. Investments

Investments in all instances are stated at cost or, in the case of donated investments, at market value at the time of bequest or receipt.

E. Inventories

Inventory in the general fund and special revenue funds (school lunch program fund) consists of expendable supplies held for consumption. The cost thereof has been recorded as an expenditure at the time individual inventory items were purchased.

F. General Fixed Assets

General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by other municipal entities in the State, the District does not maintain a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

Note 2 - PENSION PLAN

The teachers are covered under the State of New Hampshire Retirement System. Contributions are deducted at rates according to employment compensation. The District's contribution for normal cost of the plan is based upon an actuarial valuation of the entire State plan and has been set at 2.12% of the teachers' annual compensation. Since the actuarial valuation is performed on the entire State Plan, the amount, if any, of the excess of vested benefits over pension fund assets for the Raymond School District is not available. The District does not have an accrued liability for past service costs. The expense of the plan for 1978-79 was \$17,400.55.
